List any known schedule/calendar conflicts:

NOTE: Marching Band Parents – We always need water and snacks for games and competitions. PLEASE consider donating cases of water bottles and/or snacks (pop tarts, cracker packs, chip bags, fruit snacks packs, etc.) for the marching band to have at performances. Items can be delivered to the HHS Band Room.

We (student and parents) have read the contents of the HHS Band Handbook and know the guidelines set forth to achieve excellence as musicians, young adults, and leaders within the school. We understand the commitments (rehearsal time, individual practice, energy, focus, and financial) we have made to participate in the HHS Band. We will strive to contribute positively to the HHS Band!
